RE: Appointment of Darrell Park

Dear Mr. Bastida:

It is with great pleasure that I appoint Darrell Park to the Proposition 39 Citizens Oversight Board. Mr. Park received a Masters in Public Policy from Georgetown University and a Masters of Science in Management from Stanford University. He has had a varied career that includes receiving two patents for inventions related to energy efficiency and clean energy systems, working with clean energy startups, and working on the conversion of a school campus to 100% solar.

Mr. Park is well qualified to fill the board position for a technical expert in energy efficiency, clean energy, or energy systems and programs. He will bring great value to the work of the board.

Sincerely,

FIONA MA, CPA
